## GROUP EXERCISE CLASS DESCRIPTIONS

**ACTIVE TOGETHER** Give you all the training you need- cardio, strength, balance and flexibility- in just one hour. Get stronger and healthier with inspiring music, adjustable dumbbells, weight plates, body weight and simple athletic movements

**BOOTCAMP** This drill-oriented program is designed to increase your strength, endurance, and confidence through high intensity workouts that will maximize your fitness level. Boot Camp fitness will help you lose inches and firm your body in a fun, encouraging environment.

**CARDIO BLAST** Blast your cardio fitness to the next level! This class provides a variety of fun cardio routines including a STEP aerobics component. All fitness levels welcome.

**CORE FOCUS TOGETHER** trains you like an athlete in 30 action-packed minutes. A strong core, from your shoulders to your hips, will improve your athletic performance, help prevent back pain and help strengthen your abs.

**CYCLING** Pure cardio awaits you! Get a fantastic heart-pumping, low-impact workout while listening to great music on our stationary bikes. You will climb, sprint and train as you create muscle tone in your legs and improve your heart and lung function. New to group cycling? Come 10 minutes before your first class for bike setup.

**ENHANCE@FITNESS** an evidence-based group exercise program for older adults that uses simple, easy-to-learn movements that motivate individuals (particularly those with arthritis) to stay active throughout their life

**FIT OVER FIFTY** An exercise program especially for active older adults. Must be able to stand on both feet. Begin with a great cardio workout, followed by strengthening using bands, light weights, balls and more. End with mat work for a complete workout.

**FUNCTIONAL STRENGTH TRAINING** Improve your strength, balance and get modified exercises to move and feel better. You'll learn proper strength training technique and form in a supportive group setting. This is a great class for people trying to boost your physical fitness in a safe and effective manner while learning corrective movements to enhance mobility, stability and flexibility.

**GOLDEN OLDIES** Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement and activities for daily living. Hand-held weights, elastic tubing with handles and a ball are offered for resistance. A chair is available if needed for seated or standing support.

**HATHA YOGA** Class integrates the postures, breathing exercises, relaxation and meditation to harmonize you on every level - body, mind and spirit. It is a delicious, mindful and moving class. All levels welcome.

**LET'S GET MOVING!** A variety of moves that can build, tone and shape your body. This class focuses on cardio to improve endurance, strength training to tone muscles, and uses circuit training.

**RESTORATIVE YOGA** Deeply nurturing and healing, Restorative yoga takes you through poses supported by blankets and props to allow you to completely relax and let go into stillness. This practice focuses on poses with longer holds, including seated forward folds, easy twists, and gentle backbends.

**SENIOR Stretch** Relieve stress, increase flexibility balance and range of motion. Work through seated and standing stretches. Chair support offered. Restorative breathing and relaxation exercises stressed.

**STRENGTH TRAIN TOGETHER** will blast all your muscles with a high-rep weight training workout. Using an adjustable barbell, weight plates and body weight, this workout combines squats, lunges, presses and curls, with functional integrated exercise. Dynamic music and a motivating group atmosphere will get you heart rate up, make you sweat and push you to a personal best.

**VINYASA YOGA** Vinyasa means "breath-synchronized movement". In a Vinyasa class, poses flow from one to another in conjunction with the breath. All levels welcome.

**WARRIOR CONDITIONING** Train like a warrior! A very high-intensity circuit interval class utilizes a variety of equipment challenges you with sprint intervals, bodyweight exercises, jump roping, plyometrics and free weights.

**YIN YOGA** Utilizing deep stretches and special attention to breath awareness to open up energy channels, Yin yoga will leave you feeling limber, relaxed, and refreshed. Poses are held for 3-5 minutes to encourage the release of joint stiffness and promote flexibility and mobility. It's the perfect complement to a more active exercise routine and a beautiful way to wind down your day.

**ZUMBA** Are you ready to party yourself into great shape? Get lost in the music of this fitness dance party inspired by traditional salsa, samba, and meringue music. It's a totally Fun dance workout that is easy to follow.
