

EXPERIENCE™ SERIES
830 Line

PREMIUM DESIGN

The 830 Line features easy-to-use motion controls and an LED-based console that focuses on fitness.

TRM 835

Treadmill

Like every piece of equipment in our Experience Series 830 Line, the TRM 835 adds value to your facility by combining essential reliability and ease-of-use with a feeling that's personalized to every step. The 830 Line console integrates our intuitive motion controls and uses an LED-based display that focuses on the essential fitness stats and displays that keep users moving.

At Precor, we recognize that a great workout is the sum of many parts. In your hands, the products, services and technologies we offer can be combined in countless ways to complement the programs, and atmosphere you're creating.

TRM 835

Treadmill

EXPERIENCE™ SERIES
830 Line

The TRM 835 combines thoughtful design and performance to deliver an exerciser experience that feels right. Our TRM 835 makes it easier for you to provide a customer-focused environment. Quiet and efficient, we've streamlined the assembly and included diagnostic tools to increase uptime and keep operating costs down.

1 Console

Created to complement the entire Experience Series™ line, the P30 console features easy-to-use motion controls and uses a LED-based console that focuses on the essential fitness stats that keep users moving.

2 Power Factor Correction (PFC)

Our highly efficient 4 HP AC motor drives are optimized with PFC for increased efficiency, improved performance and up to 30% reduction in energy consumption.

3 Integrated Footplant Technology™

Recognizes exercisers natural foot speeds and matches every stride for an ultra-smooth feel that enhances their workout experience.

4 Ground Effects® Impact Control System

Our patented system combines ideal cushioning, support, and stability for exercisers. Precor decks are designed to provide more absorption in the front where exercisers feet hit the belt and added rigidity at the back for a firm-push off.

5 Active Status Light

To increase up-time an external status light lets you and your staff know at a glance the operating condition of your treadmill and when to perform life-extending maintenance.

Optional wireless entertainment cap
